ADMISSIONS

All persons seventeen (17) years of age or older may apply for admission to Sowela. Associate Degree applicants are required to be high school graduates or have a GED and must meet the required scores on Sowela's placement test (ASSET or COMPASS). An official copy of the applicant's ACT scores with a score of 19 in Reading, 19 in Math, and 18 in English may be accepted in place of the ASSET or COMPASS. Official transcripts from postsecondary educational institutions accredited by one of the six regional accrediting agencies may be substituted for the placement exam for all programs except Practical Nursing. The official transcript must indicate successful completion of college English and Algebra. Technical diploma applicants must meet the required scores for Technical diploma programs on one of the placement tests (ASSET, COMPASS, or ACT).

APPLICATION AND ADMISSIONS PROCEDURES

1. Applicants should report to the Business Office to pay the \$20 placement test fee on Monday through Thursday mornings between 9:00 a.m. and 3:30 p.m. and Friday morning between the hours of 9:00 a.m. and 12:00 p.m. The test is given in room 109 of the Administration Building. The test begins between the hours of 9:00 a.m. and 3:30 p.m. Monday through Thursday and between the hours of 9:00 a.m. and 12:00 p.m. on Friday. The test is also given on the first Tuesday of the month at 5:00 p.m. Applicants should present their paid receipt to the Enrollment Specialist to be admitted to the test.

2. Applicants must present proof of Louisiana/Texas residency with one of the following documents:

- Louisiana/Texas Driver's License
- Louisiana/Texas Voter's Registration card
- Louisiana/Texas Income Tax Return showing taxes paid

3. Applicants will be notified by mail of the date and time to report for Orientation and enrollment.

4. Applicants approved for an associate degree program or the Practical Nursing program may have to submit a certified copy of their high school transcript or GED scores to the Office of Admissions and Financial Aid prior to enrollment. A Practical Nursing applicant must also turn in a certified copy of his/her birth certificate, along with the transcript, to be placed on the waiting list. Birth cards or birth abstracts will NOT be accepted.

5. Certified transcripts from all colleges/universities previously attended, must be provided to the Registrar. A student, who is ineligible to return to his/her previous college, may be admitted provisionally with permission of the Registrar.

Students will not be refused admission into the college because of low test scores. Test scores are used for advising and placement purposes only. A student that tests into transitional courses may be permitted to enroll in a limited number of other courses determined by the department as not requiring a prerequisite.

All documents submitted through the application process become the property of Sowela Technical Community College and will not be returned.

SENIOR TECHNICAL EDUCATION PROGRAM AT SOWELA (STEPS)

Students from participating high schools may enroll in STEPS (Senior Technical Education Program at Sowela) if they are a graduating senior (have 17 credits) and need a maximum of two core

courses (English, math, or science). Placement test requirements must be satisfied to qualify for this program. Since a high school diploma is required for admission into an associate degree program, credits taken for associate classes will be banked. The STEPS students must complete their entire senior year at Sowela and meet all requirements for graduation from the high school before the banked credits will be awarded. For additional information, contact the counselor at participating high schools or the STEPS office at 337-491-2607.

STUDENT INFORMATION

Parking Permits

Vehicle registration permits are issued from the Office of Enrollment Management at a cost of \$5 each. ALL faculty, staff, and students who operate vehicles on campus must register their vehicles and display the hanging permit from their rearview mirror so that it is visible at all times. Permits are valid for one school year, August to July. Vehicle registration allows authorized students to park in zones to which they are entitled only if space is available.

The operation of a motor vehicle on campus is a privilege granted by Sowela Technical Community College. Failure to abide by the regulations will revoke this privilege and/or result in disciplinary action.

Student ID Cards

All students enrolled at Sowela must have an ID card. There will be a \$5 charge for the card. This will permit immediate identification of Sowela students and should be carried at all times while on campus. It will also allow access to library services and student activities.

Graduating Students

Students expecting to complete program requirements during this semester will:

- Obtain an Application for Graduation from their advisor.
- Register for classes DURING THE DESIGNATED REGISTRATION TIME.
- Turn in the COMPLETED application with verification of the graduation fee paid, to the Registrar's Office.

ALL GRADUATING STUDENTS ARE ENCOURAGED TO ATTEND GRADUATION CEREMONIES.

Graduation Fee

A fee of \$60 will be assessed to all students who are completing graduation requirements. The fee will pay for cap and gown, and will help defray graduation costs. This fee will be paid at the time of registration for the student's final term and is NOT REFUNDABLE. This fee is required even if the student does not plan to attend the graduation ceremony.

Career Services

The Student Support Services Office is available to help students prepare for and find employment in their chosen career field. The Student Support Services Office publishes job announcements; hosts career seminars and job fairs; and assists students with résumé writing and the job search process. Visit the Student Support Services Office or call 491-2664 to find out more. (Job placement is not guaranteed.)

Full Time Student Status

Full time students are those that are registered for at least twelve (12) semester credit hours during the Fall and Spring semesters and at least six (6) semester credit hours during the Summer session.

Students with Disabilities

Students with disabilities are entitled to equal access to a post-secondary education and Sowela actively recruits prospective qualified students, including those with disabilities. Students with impaired sensory, manual, or speaking skills or other disabilities have the responsibility to provide documentation in a timely fashion regarding reasonable accommodation needs. Students with disabilities are encouraged to contact the Office of Student Support Services prior to the beginning of each semester. The ADA Coordinator can be reached at these numbers: (337) 491-2664 or TTY (337) 491-2524.

Course Load

Students will be allowed to enroll for a maximum of nineteen (19) semester credit hours in the Fall and Spring semesters and ten (10) semester credit hours in the Summer session. Only with the written recommendation of the Department Chair and approval from the Vice Chancellor of Academic Affairs is a student permitted to exceed these limits.

Proof of Residency

A resident is defined as one who has lived in Louisiana or Texas for 12 consecutive months immediately preceding registration. A student may not establish residency while residing in Louisiana for the primary purpose of attending college.

All new students must provide proof of Louisiana/Texas residency. Acceptable documentation may include a valid Louisiana/Texas driver's license, Louisiana/Texas vehicle registration, current state/federal tax return or other documents that indicate a student's official domicile.

Selective Service

In accordance with the requirements of Louisiana Law R.S. 17:3151 and the Federal Selective Service Act, male applicants who are between the ages of 18 and 25 must provide written evidence that they have registered with Selective Service before they will be allowed to register for classes. Acceptable documentation may be a copy of the applicant's Selective Service Registration card or a printout from the Selective Service web site indicating the applicant's status.

The following categories of applicants are exempt from this requirement:

- Males currently on active duty in the military.
- Veterans who submit a copy of their DD214 discharge certificate.

Orientation

Orientation is conducted each semester/session for new students by the Offices of Enrollment Management and Academic Affairs and Student Success to acquaint each student with the staff, buildings and grounds, policies, and rules and regulations of Sowela. Each student will be assigned a departmental faculty advisor after the Orientation. The faculty advisor will assist the student with curriculum advisement and scheduling of classes at registration.

Immunization

As required by Louisiana Law R.S. 17:110, all first time students born after 1956 must provide proof of immunization against measles, mumps, rubella, and tetanus – diphtheria as a condition of enrollment. Forms are provided to students at Orientation to be completed by their physician/health unit. Students will not be allowed to complete the registration process until they have satisfied the immunization requirement.

A waiver may be signed by the student; however, in the event of an outbreak of measles, mumps, rubella, tetanus or diphtheria on campus; the College will require the students who are not immunized to stop attending classes until the outbreak is over or until they submit proof of adequate immunization. Student Records

A permanent record is kept in the Registrar's Office along with computerized data on each student. All student records are confidential and only personnel in the Registrar's Office are allowed to access the student files. Students who wish to review their records may do so through the Office of the Registrar. Students are required to notify the Registrar's Office of name, address, and/or phone number changes.

EXAMS AND COURSE CREDIT

Credit Examination

Students may take a credit examination in certain courses if they have a fundamental knowledge of the subject. Permission to take a credit examination must be granted by the Department Chair. There will be a non-refundable fee of \$35 for each examination taken, payable prior to testing. A grade of Pass/Fail will be assigned. A score of 80 percent or more is considered passing. Students should consult with their advisor to schedule a credit exam.

Transfer Credit

An applicant should submit an official transcript from all institutions of higher education that he/she has attended within 30 days of the beginning of his/her first semester/session of enrollment. Transcripts become property of Sowela and part of the permanent student record. Decisions regarding the award of transfer credit will be determined no later than the end of the first semester a student is enrolled.

Requests for transfer of credit must be made with a formal request by contacting the Registrar and must be accompanied by the appropriate transcripts to be considered. Failure to request credit at the time of application could jeopardize this opportunity. Transfer credit is generally accepted from institutions that are accredited through recognized agencies.

Transfers from other institutions will be considered on a case-by-case basis. Conversion from quarter hours to semester hours and conversion to a four-point grading scale will be made as needed. Course content, prerequisites and level of instruction will be reviewed. Transfer of credit will be considered only for comparable courses within the current curriculum at Sowela. Only grades of "C" or better will be considered. No credit will be given for remedial or developmental courses. No credit will be given for courses taken while under suspension from Sowela. Application of transfer credit toward completion of program requirements will be determined by the student's academic department. Grades accepted for transfer credit will not be used in the computation of grade point average for the purpose of determining graduation honors.

Non-Credit Status

Students interested in gaining a basic understanding about course material without the pressure of examination may take classes for non-credit. A notation of satisfactory (S) or unsatisfactory (U) will be assigned to the student's Sowela transcript. Those students taking classes for non-credit are not required to provide a high school transcript or take the placement examination. Fees are the same as those for credit students.

Enrollment as "non-credit" in day classes must be approved by the Department Chair and registration must be done during the drop/add/late registration period, giving degree-seeking students first priority. Coursework will not be retroactively assigned a grade for non-credit students following the completion of the placement test.

ONLINE CLASSES

Tutorial

In order to take an online course at Sowela Technical Community College students are REQUIRED to complete successfully the Student Online Blackboard Tutorial that will teach students how to navigate and use the system. This short course will provide students with the necessary information to learn that process. When students register to take an online or hybrid class, they will be automatically enrolled in the Blackboard tutorial course site. To access Blackboard, the students should go to the Sowela home page (www.sowela.edu) and click on the Blackboard login link.

Blackboard Access

All students are assigned Blackboard user names and temporary passwords when they register for classes. Most, but not all, of the instructors use Blackboard. Student user names are configured in this manner: sw + initial of the first name + last name + last TWO digits of the student's Social Security

Number. For example, if a student named John Doe has a SSN of 123-45-6789, then his Blackboard user name would be swjdoe89. His temporary password would be his user name. Once he logs on for the first time, he should click on the "Personal Information" link on the left side of his welcome page and follow the directions to change his password to something more private. For RETURNING STUDENTS, the password resets back to the user name at the beginning of every semester, so you must change it to something more private again.

Hybrid Courses (some work done in the classroom and some on the internet).

This course will meet once a week (on the day and time listed in the schedule) and require that students log on to their course site at least once a week. Most assignments will be done online, so access to a computer is mandatory. Attendance policies will apply.

Student e-mail

All students are REQUIRED to use their Sowela student e-mail accounts for all electronic correspondence with the institution. Student e-mail accounts are automatically created for students when they register at Sowela, and the accounts are theirs to keep forever. To activate the accounts:

1. Visit www.sowela.edu and click on the link "Current Students"
2. Type in your username: firstname.lastname (all lowercase letters)
3. Type in your TEMPORARY password, which is the LAST SIX DIGITS of your Student ID number. If your Student ID # has only four or five digits, place a zero(s) before those digits so that you have six in total.
4. Follow the on-screen instructions to complete the setup of your Sowela email account. Once you type in your username and TEMPORARY password, you will be directed to provide a NEW, private password.

ATTENDANCE

Class attendance is considered both a privilege and a responsibility. Students are expected to attend all classes for which they are enrolled. All instructors will maintain attendance records.

Absence from class may be considered excused or unexcused as determined by the instructor. If a student accumulates excessive unexcused absences (10% or more of scheduled class meetings) or excess of total absences (20%), the instructor may recommend to the student's department chair that he/she be withdrawn from the class. Some departments may have strict attendance policies mandated by state boards or federal guidelines.

WITHDRAWAL

Deadlines are set by the Registrar each semester/session for class withdrawals. A student must notify his/her instructor, advisor, or department chair and proper paperwork be filled out in order for the student to receive a grade of "W".

Each student is expected to notify his/her advisor, instructor or department chair if he/she is withdrawing from the College. Termination and placement forms are completed when the student withdraws. The student should notify the Financial Aid Office if he/she is receiving any type of financial aid.

Federal regulations mandate that financial aid recipients who drop all courses or officially withdraw from the College before completing 60 percent of the semester may be liable to repay a portion of the federal aid disbursed. The amount of the return is calculated using a federal formula that depends on the date the student stopped attending class. A student who owes a repayment will not be eligible for additional financial aid until the repayment is made in full.

Note: Failure to properly withdraw may jeopardize a student's financial aid and/or result in a grade of "F" being assigned. Note: All Financial Aid refund checks will be picked up by the students in the Business Office.

Web Fees--Process Technology	\$40.00
All other web classes	\$20.00
Graduation fee	\$60.00
Late Registration Fee	\$25.00
NSF Fee	\$25.00
Credit Card Processing Fee	3% of total amount charged

*Returned checks
The charge for each returned check is \$25.00. If the check is written payable to SOWELA by a student or on his behalf and is returned to the College, that student will forfeit all check writing privileges with SOWELA in the future. Payment by cash, cashier's check, money order, or credit card will be required.

*Putting a stop payment on a check will not constitute an official resignation from the College. Indebtedness to the Institution

Students who do not meet their financial obligations as scheduled are not permitted to continue attending classes. The campus will not release a transcript or other information unless the financial account of the student is paid in full and the student is in good standing.

Library Fines & Replacement Fees

Fines will be assessed for overdue books and other materials borrowed from the library. For non-returned items, the cost of replacement will be charged to the student. Unpaid fines and replacement fees will be added to the student's bill and will result in a hold being placed on the student's records.

REFUND POLICY

The Refund Policy for Sowela Technical Community College for the Fall and Spring semesters is as follows:

- A 100% refund of tuition and fees will be made to students withdrawing prior to the first day of the semester
- A 75% refund of tuition and fees will be made to students withdrawing during the 1st through 5th instructional days of the term.
- A 50% refund of tuition and fees will be made to students withdrawing during the 6th through 10th instructional days of the term.

- No refund shall be made after the 6th instructional day of the term.
- No refund shall be made for leisure learning classes unless the class is cancelled.
- No refund shall be made for web fees unless the web class is cancelled.

All refund checks will be picked up by the students in the Business Office.

Note: In accordance with Title IV of the Higher Education Act Amendments, refund of tuition and, when applicable, fees for Pell Grant recipients shall be made to the Pell Grant program and not to the student.

Tuition Deferment Plan

The Tuition Deferment Plan (TDP) is designed to assist students by allowing them to pay their tuition and allowable fees in three convenient monthly installments for the Fall and Spring semesters and two installments in the Summer session. TDP allows for the deferment of tuition, operational, academic excellence, and mandatory lab fees. Parking, Student ID, Registration, and Student Government fees are not deferrable. The student is required to sign the Tuition Deferment Plan and make payments as listed below. All other fees and charges must be paid by the first installment due date. Questions about tuition deferments may be addressed to the Business Office at (337) 491-2043.
