

# Assessment: Program Four Column

## Acad Program - Associate of Science in Nursing (ASN)

**Unit Assessment Coordinator:** Dr. Valarie Waldmeier

**Mission:** The Associate of Science Degree in Nursing (ASN) is designed to prepare students for immediate employment in the healthcare arena and enhance possibilities of transfer coursework to a Baccalaureate of Science in Nursing (BSN) program. Graduates will be eligible to write the National Council Licensure Exam for R.N (NCLEX-RN) and be prepared to enter the workforce as a registered nurse generalist.

<i>Program Learning Outcomes</i>	<i>Assessment Methods</i>	<i>Assessment Results</i>	<i>Action Taken (Use of Results)</i>
<b>Safe Care</b> - Provide safe care that is culturally and developmentally appropriate.	Will utilize NURS 2500 capstone course to measure along with Advisory council meeting	<b>Reporting Period:</b> 2017 - 2018 EoY <b>Result Type:</b> On Track Goal met. 100% of graduates indicated on the survey they agree they can provide safe care that is culturally and developmentally appropriate. (06/12/2018) <b>Analysis:</b> continue to monitor.	<b>Action Taken (Use of Results):</b> This is the first cohort to graduate from the program and the PLOs. Although we achieved 100% on the graduate survey, this is a small sample size and we will continue to trend and aggregate data. (06/12/2018)
<b>Practice of Registered Nurse</b> - Practice within the legal, ethical, and professional scope of the Registered Nurse.	NURS 2500 capstone course will be utilized along with advisory council feedback	<b>Reporting Period:</b> 2017 - 2018 EoY <b>Result Type:</b> Criterion Met 100% of students indicated in the graduate survey they have the ability to practice within the legal, ethical, and professional scope of the RN (06/12/2018) <b>Analysis:</b> continue to trend and aggregate the data.	<b>Action Taken (Use of Results):</b> continue to trend and aggregate data for at least 3 years. (06/12/2018)
<b>Human Flourishing</b> - Foster human flourishing in their clients, team members and self.	NURS 2500 capstone course and advisory council member feedback	<b>Reporting Period:</b> 2017 - 2018 EoY <b>Result Type:</b> On Track Continue to monitor (11/13/2017) <b>Analysis:</b> continue to monitor - first class graduates May 2018	<b>Action Taken (Use of Results):</b> Goal met. 100% of students indicated they agreed they had the ability to foster human flourishing in their clients, team member and self per the graduate survey. However, this is the first cohort of graduates from the
