Thanks for All the help!

Sowela should get sports that way students can interact in and out of class while staying active and having fun.

stay personal

Desperately need a proper section with a full staff concerning during school employment and post graduate employment assistance.

Thanks ☺

I loved my time at Sowela! It was the best years of my life! I try to recommend more people get involved! It is more

Concerned about hire rates the last few semester prior to me in my field & wish there was more job placement help from Sowela. I am concerned about getting a job Thank you

I enrolled in Chemistry with Mrs. Morris but got Mr. Mantz instead and was never informed of the change. Mr Mantz was a terrible teacher and I was very dissatisfied with this. Other than that Sowela was a great college but unfortunately not enough jobs for grads in this area. →

Great College!

PLec Program needs a bit of Restructuring in courses + job readiness.

Mr. Monceaux + his style of teaching Acctg. really turned me off
 in my excitement for my degree. Grading on testing occurs alone - tells
 you how it is on tests + assignments

Thank for the help!!!

Sowela has flooded the market with PTEC students (sub-par students) and has made it very difficult to get a job at the plants. I feel like I've wasted time + money here. Awful!!!

SCWELA is awesome

Mr. Darbonne and Mr. Richard in the welding department did an amazing job teaching, guiding, and pushing me to be the best that I could be. They were without a doubt the best instructors I have ever had. (I have been in college for 6 years for a different major) They topped the cake for sure.

AWESOME culinary arts department ♡
