Response to HCR 69

December 2017

I. Institutional/Student Profile	
Purpose/Mission	<p>SOWELA Technical Community College provides traditional, distance, and lifelong learning experiences and awards associate degrees, technical diplomas, and certificates that empower learners in transfer, career, and technical education to excel as globally competitive citizens.</p> <p>https://www.sowela.edu/mission-vision-values</p>
Admissions Standards	<p>Policy Statement</p> <p>SOWELA Technical Community College (SOWELA) is committed to the principle of providing each student access to quality educational programs and lifelong learning through open admissions to the college. SOWELA has an open admissions policy which is aligned with that of the Louisiana Community and Technical College System. This policy conforms to the open admission policy as established by the Louisiana Legislature and approved by the Board of Regents.</p> <p>SOWELA Technical College adopts the following policy from the Louisiana Community and Technical College Systems (LCTCS) General Admissions Policy Statement Policy #1.004.</p> <p>Any person above the age of 16, regardless of prior academic preparation, may be fully admitted to SOWELA Technical Community College as long as the following criteria are satisfied: (1) the person has completed and submitted an application for admission; (2) the person has provided proof of selective service registration as required by Louisiana R.S. 17:3151; and (3) the person has satisfied the requirements of Louisiana R.S. 17:170 related to the immunization of persons entering school. Persons 16 years of age or younger must, in addition to the requirements stated above, provide proof of graduation from a state-approved high school or high school equivalency to be fully admitted to SOWELA Technical Community College. Some educational programs may require additional information or documentation for admission into the program in order to achieve program or industry accreditation standards; however, these requirements will not have an impact on full admission to the institution.</p>

	<p>This policy does not apply to dually enrolled high school students, early admissions students and international students.</p> <p>All LCTCS institutions offer equal opportunity for admission without regard to any protected class membership.</p> <p>SOWELA is an equal opportunity, equal access educational opportunity institution committed to diversity in education and employment; and does not discriminate on the basis of race, color, creed, national origin, or ancestry, sex, sexual orientation, genetic information, pregnancy status, religion, veteran status, age or disability in its activities, programs, or employment practices as required by Title VI, Title IX, Sections 503 and 504 of the Rehabilitation Act, Age Discrimination Act, VEVRAA and Title II of the ADA.</p> <p>https://www.sowela.edu/Images/Interior/admissions/2.005.3%20open%20admissions%20policy.pdf</p>

In accordance with the policies established by the Louisiana Board of Regents, the LCTCS Board of Supervisors, and the Commission on Colleges of SACS, SOWELA requires that graduates of degree programs must demonstrate competency in general education. To fulfill the General Education Core Requirement, students must complete the minimum hours of coursework as indicated by their respective degree plans.

Minimum Semester Hours of General Education Required for AAS and AGS Degrees.

	AAS	AGS	AALT/ASLT
English Composition	3	6	6
Math	3	3	6
Natural Sciences	3	6	9
Humanities	3	3	9
Fine Arts	0	3	3
Social/Behavioral Sciences	3	6	6

In addition to the credit hours above, graduates must also demonstrate basic computer and informational literacy. Some degrees require a computer course to fulfill this requirement. Others include concepts in various technical

	<p>courses. SOWELA students enrolled in AAS degrees are required to successfully complete the general education core requirements in order to comply with this mandate. Course selection may vary by program of study but must be selected from each of the following areas: English Composition, mathematics/analytical reasoning, humanities, fine arts, social/behavioral sciences, and natural sciences. Transfer criteria	<p>2016-2017 SOWELA Technical Community College Catalog General Admissions Requirements – Page 28 Admission of Transfer Students – Page 29 Catalog is available: https://www.sowela.edu/Images/Interior/academics/2017-18%20catalog.pdf</p> <p>A transfer student is any student who has been previously enrolled at any college or university. Transfer students may enroll at SOWELA if they are eligible for readmission at the last school attended. Transfer students may be admitted provisionally with approval of the Registrar until all required transcripts have been received. Transfer students who have not received a “C” or better in a college-level English Composition and/or College Algebra course must complete a placement test. Transfer students who receive transfer credit for college-level English and/ or mathematics are exempted from placement testing in the corresponding courses. However, where placement scores are required as part of the admissions criteria set by licensure boards (i.e. the Louisiana State Board of Practical Nurse Examiners), no such waiver will be permitted. Information regarding the awarding of transfer credit is included in Academic Policies. A student who is ineligible to return to his/ her previous college may be admitted to SOWELA on probation. In addition to the general admissions requirements, transfer students are required to submit their high school transcripts if they have not earned at least 12 hours of college level coursework. These earned hours must be evident on the official transcript from the transferring institution</p>
