

Hey students-

Good morning, I wanted to reach out to let you know that SOWELA is still functioning but in a different manner than before. I am sure students are wondering – when will the campus reopen? As you know, the current order from Governor Edwards is that we will remain closed through April 30 and then a decision will be made as to what the next steps will be. Once the physical campus reopens, students whose classes were postponed will be given the opportunity to continue and complete those classes. Specific course information is available through Canvas.

Listed below are some updates regarding SOWELA services to students:

- Summer and fall course registration is taking place now via LoLA. Students should email FASTadvising@sowela.edu requesting help for advising/registration with the following information included in your email: student name, working contact phone number, Student L# (found on LoLA) and/or DOB, and your major/program. If you have other questions, the staff can be reached at 337-421-6545 or at onestop@sowela.edu
- The adjusted last day to withdraw from the College or from full term classes is May 1. If you are planning to withdraw, please contact your advisor
- Students are encouraged to utilize Financial Aid services remotely. Staff are monitoring the phones and email accounts. For questions about financial aid or enrollment, call 337-421-6545 or onestop@sowela.edu
- Online tutoring is available through TutorMe. See the link in Canvas for more details
