

Gale Virtual Reference Library is a digital collection of traditional reference books, encyclopedias, and handbooks covering topics from Art to Technology.

Use search limiters on the right side of the page to narrow your search to relevant topics, sources, and document types.

The screenshot shows the Gale Virtual Reference Library (GVRL) interface. At the top, there is a search bar with the text "Search..." and options for "Basic Search", "Advanced", "Bookmark", and "More". Below the search bar, there are two main sections: "Arts" and "Biography". Each section displays a grid of book covers with their titles and publication years. To the right of the grid is a "Librarian Sign-In" button and a "Collections" sidebar with a list of subjects including Arts, Biography, Business, Education, Environment, History, Law, Literature, Medicine, Multicultural Studies, Nation and World, Religion, Science, Social Science, and Technology.
