[2019-2020 College Catalog and Student Handbook \(sowela.edu\)](http://www.sowela.edu) In accordance with the policies established by the Louisiana Board of Regents, the LCTCS Board of Supervisors, and the Commission on Colleges of SACS, SOWELA requires that graduates of degree programs must demonstrate competency in general education. To fulfill the General Education Core Requirement, students must complete the minimum hours of coursework as indicated by their respective degree plans.

Minimum Semester Hours of General Education Required for AAS and AGS Degrees.

	AAS	A	AA	AS
English Composition	3	6	6	6
Math	3	3	3	6
Natural Sciences	3	6	6	6
Humanities	3	3	3	3
Fine Arts	0	3	3	3
Social/Behavioral Sciences	3	6	6	3

In addition to the credit hours above, graduates must also demonstrate basic computer and informational literacy. Some degrees require a computer course to fulfill this requirement. Others include concepts in various technical courses. SOWELA students enrolled in AAS degrees are required to successfully complete the general education core requirements in order to comply with this mandate. Course selection may vary by program of study but must be selected from each of the following areas: English Composition, mathematics/analytical reasoning, humanities, fine arts, social/behavioral sciences, and natural sciences. Transfer criteria	<p>2019-2030 SOWELA Technical Community College Catalog General Admissions Requirements – Page 31 Admission of Transfer Students – Page 32-33 Catalog is available 2019-2020 College Catalog and Student Handbook (sowela.edu)</p> <p>A transfer student is any student who has been previously enrolled at any college or university. Transfer students may enroll at SOWELA if they are eligible for readmission at the last school attended. Transfer students may be admitted provisionally with approval of the Registrar until all required transcripts have been received. Transfer students who have not received a “C” or better in a college-level English Composition and/or College Algebra course must complete a placement test. Transfer students who receive transfer credit for college-level English and/ or mathematics are exempted from placement testing in the corresponding courses. However, where placement scores are required as part of the admissions criteria set by licensure boards (i.e. the Louisiana State Board of Practical Nurse Examiners), no such waiver will be permitted. Information regarding the awarding of transfer credit is included in Academic Policies. A student who is ineligible to return to his/ her previous college may be admitted to SOWELA on probation. In addition to the general admissions requirements, transfer students are required to submit their high school transcripts if they have not earned at least 12 hours of college level coursework. These earned hours must be evident on the official transcript from the transferring institution</p>
