3.17) Based on your experience, with this graduate, how can SOWELA improve our graduates' skills to meet your organizational needs?

- Considering Marcus's Best Buys "Geek Squad" experience, it is difficult to answer this question. However, I can state that - SOWELA is doing an outstanding job in meeting Southwest Beverage's (SWB) organizational needs. The main reason is that SOWELA provides a well rounded "hands on" education; providing students with a solid foundation to move into any organization. This "hands on" education is the main reason SOWELA graduates are SWB's first choice in filling IT as well as other staff positions; i.e. Accounting/Clerical, Sign Shop/ Graphics, etc.
