

Students,

Due to circumstances related to COVID-19, no classes were held March 16 – 20, 2020. Specific programs/courses were shifted to an online format while other courses were paused. In an effort to keep students in these online classes moving forward, the College will not have an official Spring Break which was scheduled for April 10 – 17, 2020. Refer to Canvas to determine your class requirements during this week of instruction.
