

To our SkillsUSA Louisiana Students, Advisors, and College and Community Partners,

In light of the current health issues and concerns resulting from the coronavirus (COVID-19), SkillsUSA Louisiana College Postsecondary has made the difficult decision to postpone our 2020 state conference, that was scheduled to be held March 25-27, and all of its associated events until further notice. While a variety of factors influenced this decision, be assured that the health and safety of our students and stakeholders is always our primary concern.

Please remain connected with us on our state's website and on social media for more updates as they emerge and as we develop more specific plans. We will continue to monitor the COVID-19 situation and hope to be able to offer a postponed or reformatted state conference in the near future.

Further information regarding refunds for registration and hotel cancellations will be sent out in the near future.

Thank you for everything you do and for your continued support.
