## Survey Evaluation Results

Dear Ms Collins,

In the attachment you will find the evaluation results of the Student Leadership Retreat Survey (Questionnaire Leadership\_1).

The overall indicator is listed first. The average values of all individual questions are listed last.

If you have any further questions do not hesitate to contact the evaluation department.

## 1. Please rate your satisfaction level with presenter(s), contents, and materials

## Comments Report

## 2. Please share your comments and opinions

2.4) Please list any comments/suggestions you may have for our future retreats--THANK YOU.

I can't think of any improvements! This experience exceeded my expectations + I am so thankful to you all for all your hard work. It was AWESOME! 😊

Was very enjoyable.

I think more people will attend if the retreat was not all day long on a Saturday. Perhaps 8-12.

I would like to see more students invited out to the retreat, this was great and the presentations were very beneficial.
