SOWELA's 2017-2018 Employee Giving Campaign

"After paying just to live, I hardly have any money left over let alone to pay for an entire college experience. I got a hold of financial aid at SOWELA as a last ditch effort, my final recourse honestly. After many prayers, I received word from SOWELA I would receive the scholarship.... Words truly cannot express how grateful I am of this generous assistance."

—Charles, SOWELA Student

Your tax-deductible donation can help students, faculty, and staff get their paws on the resources they need to be successful, such as:

- Support student access and success through scholarship awards.
- Provide additional funding for your department or program.
- Supplement faculty travel to attend industry-specific conferences.
- Allow funding for staff members to attend position-related training.
- Purchase supplies, equipment, and technology to supplement teaching and learning.
- Enhance the college campus, facilities and grounds.
